Washington, D.C.

My dear Mr. Darling:

Many thanks for your letter which I have just received. I had heard about your going to Washington, and I hope that you are enjoying your work there.

I am sure you would have enjoyed being back in Toronto during Commencement time just as we would have enjoyed having you, and the proceedings should be interesting. Both General Currie and General Townshend are to be here, and there are to be a number of reunions. The Hart House has made possible a great deal in connection with Commencement that would otherwise have been out of the question. We hope to have you before long at Commencement.

Many thanks for your kind reference to the University during the past year. It has been very heavy, but I think on the whole very successful. Of course the financial problem is the serious one just now, but you will be glad to know that the Alumni Association is very active, and that the results of our effort for the War Memorial Fund have been quite successful.

With kind regards, I am,

Yours sincerely,

President.
